Constitution of the Mirvac Property Trust (ARSN 086 780 645)

Operative provisions:

1 Name of Trust

- 1.1 The Trust is called the Mirvac Property Trust or by such other name as the Manager determines from time to time¹.
- 1.2 If a Manager retires or is removed its successor as Manager must, unless otherwise approved by the former Manager, change the name of the Trust to a name that does not imply an association with the former Manager or its business.

2 Assets held on trust

- 2.1 The Trustee declares that it will hold the Assets that constitute the Trust upon Trust for the Unitholders and act in the interests of the Unit Holders on and subject to the terms and conditions of this deed².
- 2.2 Any Asset held by the Manager as responsible entity of the Trust must be clearly identified as property of the Trust and held separately from the assets of the Manager and any other managed investment scheme if and to the extent that the Corporations Act so requires³.

3 Units and Options

Nature of Units

- 3.1 The beneficial interest in the Trust is divided into Units.
- 3.2 A Unit confers an equal undivided interest in the Assets as a whole, subject to the Liabilities.
- 3.3 A Unit does not confer an interest in a particular Asset.

¹ See Corporations Regulation 5C.1.02

² See section 601FC(2) of the Corporations Act

³ See section 601FC(1)(i) of the Corporations Act

Options

3.4 Subject to the provisions of this constitution, the Manager may create and issue Options on such terms and conditions as the Manager determines.

3.5

- (a) Subject to this constitution, the Corporations Act (and the conditions of any applicable Relief) and, if relevant, the Listing Rules, the Manager may determine that Options will be issued:
 - (i) for consideration (as permitted under any applicable Relief) or no consideration; and
 - (ii) on the basis that the Application Price for a Unit to be issued on exercise of the Option is:
 - (A) for Options issued pursuant to pari passu offers to all existing Members (subject to clause 3.5(b)), the Application Price determined by the Manager provided that the Application Price is less than the price that would otherwise apply under this constitution by a percentage not exceeding 90%; or
 - (B) an Application Price in accordance with clauses 4.8. or 4.12,

and otherwise on terms and conditions and with such entitlements as determined by the Manager.

- (b) Subject to the Listing Rules and the conditions of any applicable Relief, if the Manager is making an offer of Options to Members which is otherwise in proportion to their existing holdings of Units, the Manager is not required to offer Options under this clause to persons whose address on the Register is in a place other than Australia.

3.6

- (a) An Option Holder may exercise an Option during the exercise period for the Option by giving notice to the Manager in accordance with the terms and conditions of issue of the Option together with payment in full of the exercise price (being the Application Price for the Unit to be issued following the exercise of the Option).

- (b) On exercise of an Option, the Option Holder is entitled to subscribe for and be issued such number of Units as provided for in the terms and conditions of issue of the Option.
- 3.7 Upon the termination of the Trust, an Option Holder is entitled to repayment of the issue price paid by the Option Holder for the issue of any Option which has not been exercised, unless the terms and conditions of issue of the Option provide otherwise.
- 3.8 Subject to clause 3.7, an Option does not confer on an Option Holder any interest in the Trust or any right to participate in any distribution of the income or capital of the Trust.

Rights attaching to Units and Options

- 3.9 A Member holds a Unit subject to this constitution and the rights, restrictions and obligations attaching to that Unit. An Option Holder holds an Option subject to this constitution and the terms and conditions of issue of the Option.

Fractions of Units

- 3.10 Fractions of a Unit may not be issued.
- 3.11 Where any calculation performed under this constitution or the terms of a withdrawal offer would otherwise result in the issue, redemption or creation by consolidation or division of a fraction of one Unit, the number of Units to be issued, redeemed or recorded in the Register as a result of consolidation or division may be rounded down respectively to the nearest whole Unit as determined by the Manager.

Consolidation and division of Units and Options

- 3.12 Units and Options may be consolidated or divided in any proportion as determined by the Manager⁴.
- 3.13 While Stapling applies, Units and Options may only be consolidated or divided if the related Stapled Shares and Options over Stapled Shares are also consolidated or divided at the same time and to the same extent.

Transfer of Units and Options

- 3.14 Subject to clause 3.15, Members may transfer Units and, subject to the relevant terms and conditions of issue, Options.

⁴ Refer Listing Rules, Chapter 7 – reorganisations of capital

- 3.15 While Units are Officially Quoted and the Listing Rules so require, a Member may not transfer Restricted Securities during the applicable escrow period.
- 3.16 Subject to the rules applicable while the Trust is admitted to an uncertificated trading system, transfers must be in a form approved by the Manager and be presented, if the Manager requires, for Registration duly stamped.
- 3.17 A transfer is not effective until Registered.
- 3.18 Subject to the Listing Rules while the Listing Rules apply⁵, the Manager may refuse to record any transfer in the Register without giving any reason for the refusal and, while Units are Officially Quoted, must refuse to record a transfer in the Register which would be in breach of clause 3.15.
- 3.19 While Stapling applies and subject to the Corporations Act and the Listing Rules:
- (a) the Manager must not register any transfer of Units unless it is a single instrument of transfer of Stapled Securities and any provision of clauses 3.14 to 3.18 of this constitution inclusive referring to a transfer of Units will be deemed to be a reference to such a transfer; and
 - (b) a reference in clauses 3.14 to 3.18 inclusive to a "Unit" will be deemed to be a reference to a Stapled Security.

Joint tenancy

- 3.20 Persons Registered jointly as the holder of a Unit or Option hold as joint tenants and not as tenants in common unless the Manager otherwise agrees.

Death, legal disability of Member

- 3.21 If a Member dies or becomes subject to a legal disability such as bankruptcy or insanity, only the survivor (where the deceased was a joint holder) or the legal personal representative (in any other case) will be recognised as having any claim to Units or Options Registered in the Member's or Option Holder's name.
- 3.22 A person who becomes entitled to a Unit or an Option because of the death, bankruptcy, insanity or other disability of a Member or Option Holder is entitled to receive and may give a discharge for all money payable in respect of the Unit or Option but is not entitled to

⁵ Listing Rule 8.10 restricts the Manager's ability to prevent proper ASTC transfers, but allows for a holding lock in certain specified circumstances.

receive notices of or to attend or vote at any meetings of Members or Option Holders until that person is Registered as the holder of the Unit or Option.

Number of Units and Options

- 3.23 While Stapling applies and except as provided for in clause 30A, the number of issued Units at any time must equal the number of issued Stapled Shares.
- 3.24 While Stapling applies, the number of issued Options at any time must equal the number of issued options over Stapled Shares.

Register

- 3.25 The Manager must keep a Register of all Members and Option Holders as the Corporations Act requires. While Stapling applies, the Register will comprise a single register which records details of the members of the Trust and the Stapled Company.

Stapling

- 3.26 While Stapling applies:
- (a) the Manager may not issue Units unless the applicants for the Units are contemporaneously offered identical numbers of Stapled Shares which will be Stapled to the Units offered;
 - (b) the Manager may not issue Options unless Option Holders are contemporaneously offered options over identical numbers of Stapled Shares which will be Stapled to the Units issued pursuant to the Options when they are exercised; and
 - (c) any offer of Units or Options may only be accepted if the offeree accepts that offer of Units or Options, as well as the contemporaneous offer of Stapled Shares or options over Stapled Shares referred to in clause 3.26(a) and (b) as the case may be.

4 Application Price for Units⁶

- 4.1 Subject to clauses 4A, 19.1 and 30A.2(a), a Unit must only be issued at an Application Price:
- (a) subject to clauses 4.1 (b), (c), (d), (e), (f), (g), (h) and (i) while Units are Officially Quoted, equal to the weighted

⁶ Required to be included by Section 601GA(1)(a)

average Market Price of Units during the 5 Business Days immediately prior to the date on which or as at which the Application Price is to be calculated;

- (b) subject to clauses 4.1 (c), (d), (e), (f), (g), (h) and (i), while Units are Officially Quoted as part of a Stapled Security, in accordance with clause 4.4;
- (c) in the case of a rights issue, in accordance with clause 4.5;
- (d) in the case of a placement of Units while Units are Officially Quoted, in accordance with clause 4.8;
- (e) in the case of reinvestment of income, in accordance with clauses 4.10 and 4.11;
- (f) in the case of a Unit issued upon the exercise of an Option, determined in accordance with clause 3.5(a) or clauses 4.1(a), (b) or (g);
- (g) in the case of a Unit issued pursuant to an Employee Security Plan, determined in accordance with clause 4.12 or 4.13;
- (h) in the case of a Unit issued pursuant to a Purchase Plan, determined in accordance with clause 4.14;
- (i) that is different to an Application Price otherwise determined under this clause 4.1, to the extent that the Manager is able to set the Application Price in circumstances permitted by and in accordance with Relief and the Listing Rules; and
- (j) in all other cases, calculated as:

$$\frac{\text{Net Asset Value} + \text{Transaction Costs}}{\text{Number of Units in issue}}$$

4.2 Subject to clause 4.10, each of the variables in clause 4.1(j) must be determined as at the next Valuation Time after:

- (a) the Manager receives the application for Units; or
- (b) the Manager receives the application money, or the property against which Units are to be issued is vested in the Manager,

whichever happens later.

4.3 The Application Price may be rounded as the Manager determines. The amount of the rounding must not be more than 1% of the Application Price. Any excess application or other money or property which results from rounding becomes an Asset of the Trust.

Determination of Application Price where Stapled Securities are issued

4.4

- (a) Where clause 4.1(b) applies, a Stapled Security must only be issued at an application price for the Stapled Security equal to the weighted average Market Price of Stapled Securities during the 5 Business Days immediately prior to the date on which or as at which the application price for the Stapled Security is to be calculated.
- (b) In each case where a Stapled Security is issued the Manager must determine what part of the application price of the Stapled Security is to represent the Application Price of the Unit.

For these purposes, the percentage that the Application Price of a Unit bears to the application price of a Stapled Security must equal the percentage that the net tangible assets of the Trust bears to the net tangible assets of the Mirvac Group as at:

- (i) unless the Manager determines the date in clause 4.4(b)(ii) applies on or before the issue of the Stapled Securities, 30 June in the prior Financial Year in which the issue of Stapled Securities occurs by reference to the annual accounts of the Trust and the Mirvac Group respectively; or
- (ii) 31 December that last occurs prior to the issue of the Stapled Securities by reference to the half year accounts of the Trust and the Mirvac Group respectively, where the Manager so determines.
- (c) Where an option or a right to acquire a Stapled Security is issued or granted, the allocation of the issue price (if any) of the option or right must be determined in the same manner as this clause 4.4.
- (d) The allocation of the Application Price for a Stapled Security issued under this clause 4.4 must be consistent for each other Stapled Security issued at the same time.

Rights issues

4.5

The Manager may at any time offer Units for subscription at a price determined by the Manager to those persons who were Members on a date determined by the Manager not being more than 30 days immediately prior to the date of the offer, provided that:

- (a) all Members are offered Units at the same Application Price on a pro rata basis (whether or not the right or entitlement is renounceable);
- (b) in relation to the:
 - (i) November 2008 Offer where:
 - (A) the aggregate of the relevant Application Price for the Unit and the application price of a Stapled Share is not less than 50% of the application price of the Stapled Security which would otherwise apply; and
 - (B) where the application price for the Stapled Securities is determined by a pre-launch cornerstone process; and
 - (ii) June 2009 Offer where the application price for Stapled Securities will be \$1.00. This price, being the aggregate of the relevant Application Price for the Unit and the application price of a Stapled Share, is not less than 50% of the application price of the Stapled Security which would otherwise apply under clause 4.4(a), determined as at the date of announcement of the June 2009 Offer; and
- (c) where Units are not Officially Quoted, the Application Price is not less than 80% of the Application Price calculated in accordance with clause 4.1(j); and
- (d) while Stapling applies, the same Members are contemporaneously offered identical numbers of Stapled Shares which will be Stapled to the Units offered,

but, subject to the Listing Rules, the Manager is not required to offer Units under this clause to persons whose address on the Register is in a place other than Australia⁷.

While Stapling applies, any offer of Units under this clause 4.5 may only be accepted if the offeree accepts that offer of Units, as well as the contemporaneous offer of Stapled Shares referred to in paragraph (e) of this clause. A person to whom the right or entitlement is renounced shall be regarded as an offeree.

⁷ Assumes the Manager is able to comply with the conditions in Listing Rule 7.7.1.⁸ See section 601FC(j) for Manager's obligations concerning valuation

Terms of pro rata issues

4.6

- (a) Any offer made under clause 4.5 must specify the period during which it may be accepted and must be made to Members in proportion to the value of their respective Unit holdings on the date determined by the Manager under clause 4.5, provided that the Manager may adjust any entitlement to accord with the Listing Rules. Any Member may renounce their entitlement in favour of some other person, unless the issue is expressed to be non-renounceable.
- (b) Any Units (or Stapled Securities, in the case of clause 4.5(b)) offered for subscription under clause 4.5 which are not subscribed for within the period for acceptance set by the Manager may be offered for subscription by the Manager to any person, provided that:
 - (i) the Application Price payable in relation to such further offer is not less than that at which the Units were originally offered to Members; or
 - (ii) where Stapled Securities are Officially Quoted, the aggregate of the relevant Application Price for the Units and the application price for the Stapled Shares is not less than that at which the Stapled Securities were originally offered to the holders of Stapled Securities.
- (c) If an underwriter has underwritten any offer for subscription of Units under clause 4.5 (or Stapled Securities in the case of clause 4.5(b)), such underwriter may take up any Units (or Stapled Securities in the case of clause 4.5(b)) not subscribed for by Members (or holders of Stapled Securities in the case of clause 4.5(b)).
- (d) The Manager may structure the Entitlement Offer component of the November 2008 Offer in any manner consistent with the Corporations Act (as notionally modified by any applicable Relief), despite anything else in clause 4.5, clause 4.6 and clause 4.7.
- (e) The Manager may structure the June 2009 Entitlement Offer component of the June 2009 Offer in any manner consistent with the Corporations Act (as notionally modified by any applicable Relief), despite anything else in clause 4.5, clause 4.6 and clause 4.7.

- (f) The Manager may structure an offer made under clause 4.5 in any manner consistent with the Corporations Act (as notionally modified by any applicable Relief) despite anything else in clause 4.5, clause 4.6 and clause 4.7.

4.7

- (a) Notwithstanding the provisions of clauses 4.5 and 4.6, if:

- (i) Units are to be issued in the circumstances contemplated by clauses 4.5 and 4.6;
- (ii) the issue is to be renounceable; and
- (iii) one or more of the Members is resident or domiciled outside Australia,

the Manager (subject to any approval required from the ASX having been obtained) may elect that the Units to be offered or issued or both are only to be offered or issued or both to either:

- (A) Members resident or domiciled in Australia; or
- (B) Members resident or domiciled in Australia and New Zealand,

and that they are not to be offered or issued or both to Members in other countries.

- (b) Where the Manager makes an election under clause 4.7(a), then:
- (i) the Manager must procure that a number of Units (corresponding to the number that would have been offered to those Members but for the Manager's election under this clause 4.7) are offered to a nominee (which may be the Manager) provided that while Stapling applies, that nominee is contemporaneously offered an identical number of Stapled Shares which will be Stapled to those Units; and
 - (ii) the Manager must use its best endeavours to procure that the nominee sells the rights in respect of those Units (and if applicable, Stapled Shares) and (after deducting the nominee's reasonable costs and expenses) remits the balance of the funds received by it for those rights to those Members (in proportion to the number of Units including if applicable the

number of Stapled Shares that would have been offered to those Members but for the Manager's election under this clause 4.7).

Placements and other issues

4.8

- (a) While Units or Stapled Securities are Officially Quoted, the Manager may at any time issue Units or Stapled Securities to any person, whether by way of a placement or otherwise, at a price and on terms determined by it, provided that the Manager complies with the Listing Rules applicable to the issue and the terms of any applicable Relief and provided that while Stapling applies, an offer of Units under this clause 4.8 may only be accepted if the offeree contemporaneously accepts that offer of Units and the offer of Stapled Shares as required to be made under clause 3.26.
- (ba) Without limiting clause 4.8(a), where:
 - (i) the Manager proposes an institutional placement of Stapled Securities as part of the November 2008 Offer; and
 - (ii) the application price of the Stapled Securities under the institutional placement is determined on or about the same time as the application price for Stapled Securities under the Entitlement Offer, through a pre-launch cornerstone process,then the application price of the Stapled Securities under the institutional placement must be the same as the application price of Stapled Securities under the Entitlement Offer.
- (bb) Without limiting clause 4.8(a), where:
 - (i) the Manager proposes an institutional placement of Stapled Securities as part of the June 2009 Offer; and
 - (ii) the application price of the Stapled Securities under the institutional placement will be \$1.00. This price is the same as the application price of Stapled Securities under the June 2009 Entitlement Offer.
- (bc) Without limiting clause 4.8(a), where:
 - (i) the Manager proposes an institutional placement of Stapled Securities as part of the April 2010 Offer; and

- (ii) the application price of the Stapled Securities under the institutional placement will be \$1.40.
- (b) Without limiting the operation of clause 4.5 or the generality of clause (a), the Manager may at any time issue Units or Stapled Securities to any person, whether by way of a placement or otherwise, at a price and on terms determined by it in accordance with any Relief.

4.9 **[Deleted]**

Reinvestment

- 4.10 The Application Price payable for each Unit upon reinvestment of distributions is the Application Price as determined by the Manager.
- 4.11 While Stapling applies, clause 4.10 will not apply and the Application Price payable for each Stapled Security upon reinvestment of distributions is the arithmetic average of the daily volume weighted average price of fully paid Stapled Securities traded on the ASX for the five day trading days commencing on the third trading day after the books closing date less such discount, if any, as the Manager may determine.

Employee Security Plan

- 4.12 While Units are Officially Quoted, the Manager may at any time issue Units, Options or rights to Units or any of these to any Employee for no consideration pursuant to an offer under any Employee Security Plan.
- 4.13 While Units are Officially Quoted as part of a Stapled Security, the Manager may at any time issue Units pursuant to an offer under any Employee Security Plan to any Employee at a price being that part of the application price for each Stapled Security of which each Unit is a component determined by the Manager where the Stapled Security is issued at an application price equal to the volume weighted average Market Price of Stapled Securities during the 5 Business Days immediately prior to:
 - (a) the date the Stapled Security is issued pursuant to the offer; or
 - (b) if the Stapled Security is issued on exercise of an Option under an Employee Security Plan, the date of the offer of the Option.

Purchase Plan

- 4.14 Without limiting the provisions of this constitution and subject to the Corporations Act, the Manager may issue Units at an Application Price determined by the Manager (being a price other than the Application Price calculated in accordance with this clause 4) under a Purchase Plan.

4A Issue of Units as Bid Consideration

Manager may issue Stapled Securities as Bid Consideration

4A.1 While Stapling applies, the Manager may issue a Stapled Security as consideration, or part of the consideration, to acquire securities or financial products of a target entity under an off-market bid made in accordance with Chapter 6 of the Corporations Act ("**Bid Consideration**").

Application price of Stapled Securities issued as Bid Consideration

4A.2 The Manager may issue a Stapled Security which is, or forms part of, the Bid Consideration at an application price which is equal to the weighted average Market Price of Stapled Securities during the 5 Business Days immediately prior to the date on which the public announcement of the off-market bid, or any revised off-market bid, for securities or financial products of the target entity is first made by the Manager or by an associate of the Manager in relation to the off-market bid.

In this case the Manager must determine what part of the application price of a Stapled Security is to represent the Application Price of a Unit. This determination must be made in accordance with the requirements of clause 4.4 relating to the apportionment of the application price of Stapled Securities.

Satisfaction of obligation to make payment or transfer property

- 4A.3 The Manager must accept the transfer of securities or financial products of the target entity, which are the subject of an acceptance of an offer under the off-market bid ("**Offer**"), in satisfaction of the obligation to make payment or transfer property for either:
- (a) the application price for Stapled Securities, in the event that only Stapled Securities comprise the Bid Consideration; or

- (b) the application price for Stapled Securities, after deducting the value of the other consideration under the Offer which has been accepted, where the Bid Consideration comprises Stapled Securities and other consideration.

5 Application procedure

Application form

- 5.1 An applicant for Units must complete a form approved by the Manager if the Manager so requires. The form may be transmitted electronically if approved by the Manager.
- 5.2 While Stapling applies, an applicant for Units must at the same time make an application for an identical number of Stapled Shares.

Payment

- 5.3 Without limiting clause 4A, payment in respect of an application in a form acceptable to the Manager, or a transfer of property of a kind acceptable to the Manager and able to be vested in the Manager or a custodian appointed by it (accompanied by a recent valuation of the property, if the Manager requires), must:
 - (a) accompany the application;
 - (b) be received by or made available to the Manager or the custodian within such period before or after the Manager receives the application form as the Manager determines from time to time; or
 - (c) comprise a reinvestment of distribution in accordance with clause 8.22.

If the Manager accepts a transfer of property other than cash, any costs associated with the valuation or transfer of the property are payable or reimbursable out of the Assets or payable by the Member concerned, as the Manager decides.

Manager may reject

- 5.4 Subject to clause 5.5, the Manager may reject an application in whole or in part without giving any reason for the rejection.

Manager must reject

- 5.5 While Stapling applies, the Manager must reject an application for Units if the applicant does not apply at the same time for an identical

number of Stapled Shares or if an identical number of Stapled Shares will not be issued to the applicant at the same time as the issue of Units to the applicant.

Minimum amounts

- 5.6 The Manager may set a minimum application amount and a minimum holding for the Trust and alter or waive those amounts at any time.

Issue date

- 5.7 Units are taken to be issued when:
- (a) the Manager accepts the application; or
 - (b) the Manager receives the application money, or the property against which Units are to be issued is vested in the Manager, whichever happens later.

Uncleared funds

- 5.8 Units issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the Manager within 1 month of receipt of the application.

Income entitlement of Units

- 5.9 Except as otherwise expressly provided in this constitution, the Manager may in its discretion issue Units on terms that such Units:
- (a) participate fully in the allocation of the Distribution Amount in respect of the Distribution Period in which they are issued;
 - (b) do not entitle the holder of such Units to receive a share of the Distribution Amount in respect of the Distribution Period in which such Units are issued; or
 - (c) entitle the holder of such Units to receive a share of the Distribution Amount in respect of the Distribution Period in which such Units are issued which is not greater than the proportion of the Distribution Amount to which a Member holding a Unit during the whole of that Distribution Period is entitled multiplied by the number of days from and including the date of allotment of those Units to the end of that Distribution Period divided by the total number of days in that Distribution Period.

6 Redemption of Units and Buy-Back

- 6.1 The Manager is not obliged to redeem Units.

Buy-back

- 6.2 Subject to the Corporations Act, the Listing Rules and any Relief, while Units or Stapled Securities are Officially Quoted, the Manager may purchase or cause to be purchased Units, or where Stapling applies, Stapled Securities and cause the Units which form part of the Stapled Securities to be cancelled. Where the Units comprise part of Stapled Securities, the Manager may only buy-back and cancel the Units if the Stapled Shares are also the subject of a contemporaneous buy-back and cancellation by the Stapled Company. Where the Units are purchased as part of a Stapled Security under a buy-back, the Manager must determine, in a manner similar to that provided in clause 4.4 in relation to issues of Stapled Securities, what proportion of the price paid for the Stapled Security is to be paid from the Assets.

Restriction on issue and redemption of Units

- 6.3 No Units may be issued or redeemed after the 80th anniversary from the day before the Trust commenced if that issue or redemption would cause a contravention of the rule against perpetuities or any other rule of law or equity.

7 Valuation of assets

Periodic valuations

- 7.1 The Manager may cause an Asset to be valued at any time, and must do so as and when required by the Corporations Act.⁸
- 7.2 The Manager may determine Net Asset Value at any time, including more than once on each day.
- 7.3 The Manager may determine valuation methods and policies for each category of Asset and change them from time to time. Unless the Manager determines otherwise, the value of an Asset for the purpose of calculating Net Asset Value will be its market value⁹.
- 7.4 While Units are not Officially Quoted, where the Manager values an Asset at other than its market value, or where there is no market

⁸ See section 601FC(j) for Manager's obligations concerning valuation

⁹ ASIC Policy Statement 134, paragraph 29: constitution should set out how scheme property will be valued.

value, the valuation methods and policies applied by the Manager must be capable of resulting in a calculation of the Application Price that is independently verifiable.

8 Income and distributions to Members

Distributable income

8.1

The Manager must determine the Net Operating Income and the Distribution Amount for each Distribution Period.

8.2

- (a) The Net Operating Income of the Trust is the income (calculated on the basis of ordinary concepts, excluding any capital gains) less fees, costs, losses, Taxes, depreciation and any accumulated losses carried forward from a previous Distribution Period.
- (b) For the purposes of determining the Net Operating Income of the Trust the Manager may determine whether any receipt, profit, gain, payment, loss, outgoing, provision or reserve or any sum of money or investment in a Distribution Period is or is not to be treated as being on income or capital account and whether and the extent to which any provisions and reserves need to be made for the Distribution Period.
- (c) Subject to clause 8.2(d) and unless the Manager determines otherwise, the Distribution Amount for a Distribution Period is the Taxable Period Income for that Distribution Period.
- (d) The total of the Distribution Amounts for any Financial Year shall be determined by the Manager and shall equal:
 - (i) the Taxable Annual Income; or
 - (ii) the Net Operating Income less the management fee calculated under clause 18.3 plus the Net Capital Gain,or any amount between those two amounts.

Distribution Amount

8.3

At the end of each Distribution Period the Members are presently entitled to shares of the Distribution Amount in the proportions set out in clause 8.8 of this constitution.

8.4

- (a) The Manager shall keep separate accounts of the different categories and sources of income that relate to different types of investments of the Trust and the costs, charges and expenses attributable to each of those types of income.
- (b) The Manager shall advise each Member of its share of Taxable Period Income and any tax credits attributable to each Member and such advice shall include reference to the categories or sources of that Taxable Period Income and the share of those categories or sources to which each Member is entitled.

Distribution Account

- 8.5 The Distribution Amount in respect of a Distribution Period is to be transferred to a special account designated a Distribution Account. Any amount in the Distribution Account does not form part of the Trust but must be held by the Manager on trust for Members as at the close of business on the last Business Day of the Distribution Period. The Manager may invest any moneys standing to the credit of the Distribution Account pending disbursement. Income earned from the investment is deemed to be income of the Trust and must be dealt with accordingly.
- 8.6 If any income is received in a Distribution Period when, in the opinion of the Manager, it is not practicable to distribute it in the distribution for that Distribution Period, it may be treated by the Manager as having accrued during the next following Distribution Period and be distributed accordingly.

Equalise Distributions

- 8.7 Notwithstanding the above provisions, the Manager may withhold from the Distribution Account during the first Distribution Period or if income and capital are distributed quarterly during any of the first 3 quarters of any Financial Year or if income and capital are distributed monthly or two-monthly during any month prior to the last month or any two months prior to the last two-month period in any Financial Year as the case may require, such part of the Distribution Amount in respect of a Distribution Period, Quarter, month or two-month period, as the case may be, as the Manager deems sufficient to ensure that the amount distributed in respect of each Distribution Period, Quarter, month or two-month period, as the case may be, in that Financial Year will be the same or as close to the same as practicable. The Manager will hold such withheld moneys to the credit of a reserve for equalising the amounts to be

distributed from the Distribution Account in accordance with this clause 8. Any income earned as a result of the investment of such reserve will form part of the Trust.

Participation in Distribution of Income

- 8.8 At the end of each Distribution Period a Member is entitled to receive a distribution of the amount (if any) credited to the Distribution Account in accordance with the following formula:

$$A \times \frac{B}{C}$$

Where:

A = the amount standing to the credit of the Distribution Account;

B = the aggregate of the number of Units held by the Member at the end of the Distribution Period which are entitled to share fully in the Distribution Amount for the relevant Distribution Period plus, if the Member holds at the end of the Distribution Period Units issued during that Distribution Period which have a proportionate entitlement to share in the Distribution Amount in accordance with clause 5.9, the aggregate number of such Units held by that Member multiplied by the relevant proportion;

C = the aggregate of the total number of Units in issue entitled to share fully in the Distribution Amount for the relevant Distribution Period plus, if Units have been issued during the relevant Distribution Period which have a proportionate entitlement to share in the Distribution Amount in accordance with clause 5.9, the aggregate of the total number of such Units multiplied by the relevant proportion in each case calculated as at the end of the Distribution Period,

provided that the Manager may from time to time and at any time in its discretion declare a distribution on account of the anticipated Distribution Amount (if any) for that Distribution Period and specify the date as at which the books are to close for the purpose of determining the entitlement to that distribution. The distribution must be paid within 3 months of that date. The distribution so declared shall reduce the entitlements accruing pursuant to this clause 8.8 by an equal amount.

Deduction of Tax

- 8.9 The deduction of the following amounts from the Distribution Account is authorised:
- (a) Tax which is paid or payable by the Manager on account of or in respect of the Member on the amount of the net income of the Trust otherwise distributable to that Member;
 - (b) if it is determined by the Manager, a charge made by a person on account of Tax imposed on the deposit in an account of the Trust or of the Manager of all amounts received from that Member during the relevant Distribution Period or any Tax imposed on the Manager in respect of the receipt by the Manager of those amounts; and
 - (c) if it is determined by the Manager, a charge made by a person on account of Tax imposed on or in respect of the debiting in an account of the Trust of the amount of net income of the Trust otherwise distributable to that Member,

and all amounts deducted must be applied in reimbursing the Trust for any corresponding amount paid or reimbursed out of the Trust or reimbursing the Manager for the payment of the Tax to the person or authority entitled to it.

Distribution of Income

- 8.10 Subject to any deductions made under clause 8.9 and provided that a Member (being entitled to do so) has not given notice to the Manager that the Member's entitlement to income for each Unit (or part of it) is to be reinvested under clause 8.22 at the end of the then current Distribution Period, the Manager will distribute to each Member the Member's entitlement to the Distribution Amount in accordance with clause 8.8 within three months of the last Business Day of the Distribution Period.
- 8.11 If the Member's entitlement to the Distribution Amount includes a fraction of a cent the entitlement is to be adjusted to the nearest cent below the amount of the Member's entitlement and the fraction of the cent shall no longer form part of that Member's entitlement and shall be transferred out of the Distribution Account and included in the Net Operating Income in the next succeeding Distribution Period.

Adjustments to Capital Reserve Accounts

- 8.12 Subject to this constitution the Manager from time to time may transfer capital of the Trust to the Distribution Account for the purpose of enabling a distribution to Members of the Distribution Amount determined in accordance with clauses 8.1 and 8.2.
- 8.13 Where a transfer of capital referred to in clause 8.12 occurs then the amount of capital so transferred shall be from the Reserve Account.

Capital Reserves and Bonus Issues

- 8.14 Any realised capital gains of the Trust must be separated from the other income of the Trust and credited to the Reserve Account.
- 8.15 The Manager may distribute to the Members from time to time by way of cash or other Assets of the Trust as at a date determined by the Manager an amount equal to so much of the net realised gains credited to the Reserve Account as determined by the Manager. The Manager must debit the Reserve Account with the amount so distributed. Where Assets of the Trust other than cash are distributed under this clause the identity of the recipients and the nature of the Assets of the Trust other than cash distributed shall be at the discretion of the Manager.
- 8.16 The distribution of cash or other Assets to each Member under clause 8.15 is to be calculated in accordance with the following formula:

$$A \times \frac{B}{C}$$

where:

- A = the amount of cash and the value of Assets determined by the Manager to be distributed from the Reserve Account;
- B = the number of Units held by the Member on the date of calculation;
- C = the total number of Units in issue on the date of calculation.
- 8.17 Any amount standing to the credit of the Reserve Account may be capitalised by a determination of the Manager. Subject to clause 8.18, if the Manager determines that an amount shall be capitalised, Members shall be entitled to receive bonus Units.

While Stapling applies, the Manager may not determine to capitalise an amount under this clause 8.17 unless contemporaneously with the

increase in the number of Units, the Members subscribe for or purchase an identical number of Stapled Shares which when issued or acquired (respectively) are then Stapled to the additional Units issued. The Manager may make provision for and make payment on behalf of Members of the subscription or purchase price for all or part of such Stapled Shares out of the amount standing to the credit of the Reserve Account and which is otherwise available to be capitalised.

- 8.18 The number of additional Units created under clause 8.17 must not be less than the number calculated in accordance with the following formula:

$$\frac{A}{B}$$

Where:

A = the amount standing to the credit of the Reserve Account;

$$B = \frac{C - A}{U}$$

Where:

C = the amount standing to the credit of the capital account;

A = as defined above in this clause 8.18; and

U = the number of Units in issue at the date of capitalisation;

and each Unit created upon the capitalisation must be issued at the same price determined by the Manager which may be less than the Application Price on that date.

- 8.19 Each Member shall be entitled to the same proportion of the total number of bonus units created as the total number of Units held by that particular Member at the date of capitalisation bears to the total number of Units in issue at the date of capitalisation. Following capitalisation:
- (a) the number of Units in issue will increase accordingly;
 - (b) the Manager must cause the Register to be amended and take any other steps which the Manager considers necessary to amend the records of the Trust to reflect the capitalisation;

- (c) the Manager may ignore fractions and round each Member's entitlement to the nearest whole Unit (a fraction of a half shall be rounded down to the nearest whole unit);
- (d) the sum capitalised in accordance with clause 8.17 must be debited to the Reserve Account and thereafter be treated in the same manner as funds subscribed by Members to the Trust; and
- (e) the additional Units created will rank for distribution of income and for all other purposes from a date determined by the Manager.

Stapling

8.19A While Stapling applies, the Manager may not make a distribution by way of bonus Units under clause 8.19 unless at the same time as the increase in the number of Units, the Members are also issued an identical number of Stapled Shares which when issued are then Stapled to the additional Units issued. The Manager may provide for and pay on behalf of Members all or part of the subscription or purchase price for such Stapled Shares out of the amount available to be distributed.

Member Reinvestment

- 8.20 A Member is entitled, if the right of reinvestment of income has been offered under a prospectus or by notice in writing to all Members or both, by giving notice in writing to the Manager (in the form determined by the Manager) to request that the Manager retain and reinvest in Units the money or part of the money the Member is entitled to receive under clause 8.8.
- 8.21 A Member may by notice in writing to the Manager (in the form determined by the Manager from time to time) received not later than the last day of the relevant Distribution Period cancel any notice given under clause 8.20. The Member is entitled to give a further notice under clause 8.20 at any time in respect of any subsequent Distribution Period provided that the Manager has not previously cancelled the right of reinvestment of income. The Manager may by notice in writing to all Members, posted or otherwise sent on or before the last day of any relevant Distribution Period cancel any right of reinvestment of income. The Manager may at any time and from time to time re-offer the right of reinvestment of income to all Members by notice in writing or prospectus or both.

- 8.22 In the event that a notice under clause 8.20 has been given to the Manager by a Member not later than the last day of the relevant Distribution Period and has not been cancelled by the Member under clause 8.21 the Manager is entitled, but not obliged, out of any money to be distributed to the relevant Member in respect of the relevant Distribution Period to retain all or part of the amount specified in accordance with the notice and reinvest that money on behalf of the Member in Units.
- 8.23 If the amount to be reinvested in Units results in a fraction of a Unit, the money representing the fraction will be held for future reinvestment in the Trust on behalf of the relevant Member unless the Member cancels the relevant notice under clause 8.21 in which case the money representing the fraction is to be paid to the Member as part of the Member's distribution in respect of the Distribution Period current at the date of cancellation.
- 8.24 Whenever under this constitution or by law money is held on behalf of a Member for future reinvestment the money so held may be aggregated and when sufficient for the purpose the aggregated amount will be applied in the purchase of a new Unit for issue to the Member in accordance with the relevant provisions of this clause 8.

Restriction on reinvestment

- 8.25 While Stapling applies, no reinvestment under clause 8.20 may occur unless at the same time as Members are issued with additional Units, Members are issued with an identical number of Stapled Shares which are then stapled to the additional Units issued. The Manager may provide for and pay on behalf of Members all or part of the application money for such Stapled Shares out of the amount otherwise available for reinvestment.

Notice of Reinvestment

- 8.26 Where a Member has made a request under clause 8.20, the Member is to be provided by the Manager with a notice to the effect that the whole or part of the distribution to which the Member would otherwise have been entitled has been reinvested on the Member's behalf and the amount of any Tax withheld by the Trustee under clause 8.9. The notice is to be given by the Manager upon the issue of the Units.
- 8.27 The Member is to be provided with a Certificate (if required) for the Units. The Units will be deemed to be issued on a date determined by the Manager.

- 8.28 For all purposes the net income to be distributed to a Member is deemed to have been received by the Member on a reinvestment of that income in Units under the terms of clause 8.

Monthly Distributions

- 8.29 The Manager, upon giving the Members in the Trust notice of its intention not less than 10 Business Days before the end of the month, may distribute to each Member every month, the Member's entitlement to the net income of the Trust calculated on the last day of the month and otherwise in accordance with clause 8. The Manager must distribute the Member's entitlement within 10 Business Days of the last day of the month. If the Manager distributes each Member's entitlement under this clause 8.29 then subject to this clause 8.29, the provisions of clause 8 will apply subject to the word "month" being substituted for the word "Distribution Period" wherever appearing.

Two-Monthly Distributions

- 8.30 The Manager, upon giving the Members in the Trust notice of its intention not less than 10 Business Days before the end of the month, may distribute to each Member every second month, the Member's entitlement to the net income of the Trust calculated on the last day of every second month and otherwise in accordance with clause 8. The Manager must distribute the Member's entitlement within 10 Business Days of the last day of every second month. If the Manager distributes each Member's entitlement under this clause 8.30 then subject to this clause 8.30, the provisions of clause 8 will apply except that , the word "Distribution Period" wherever appearing in this clause 8 shall mean a period of 2 months.

Effect of Transfer or Transmission of Units

- 8.31 Upon the registration of any transfer or transmission of Units in the Trust from any person (including the Manager) the transferor's interest in any income standing to the credit of the Distribution Account which has not been reinvested under clause 8.22 at the date of transfer will be credited to the account of and must pass to the Member in whose name the Units become registered.

Distribution on Termination

- 8.32 Notwithstanding any other provision to the contrary contained in this constitution, on the Termination Date the Distribution Amount must

be transferred to the Distribution Account. For the purpose of this clause 8.32, clause 8 shall operate as if the Termination Date was the last day of the Distribution Period current at the Termination Date.

Refund of Surplus Capital

- 8.33 Subject to this constitution, the Manager may, at a time determined by the Manager, pay amounts representing part of the capital of the Trust to Members.
- 8.34 In determining the amount to be paid under clause 8.33 at any time, the Manager must take into account (to the extent it is able) the Manager's reasonable estimate of any amounts expected to become payable under clause 20.3 on a winding up of the Trust.
- 8.35 The Manager shall send to each Member a notice in relation to the proposed payment, including the following details:
- (a) the amount proposed to be paid as determined under clause 8.34; and
 - (b) the amount to be paid to the Member, calculated in accordance with the following formula:

$$A \times \frac{B}{C}$$

where:

A = the amount determined under clause 8.35(a);

B = the number of Units held by the Member at the close of business on the date determined under clause 8.33;

C = the total number of Units in issue at the close of business on the date determined under clause 8.33.

- 8.36 On the date determined under clause 8.33, the amount determined under clause 8.34 to be paid to Members is to be transferred to a special account designated a Surplus Capital Account. Any amount in the Surplus Capital Account does not form part of the Trust but must be held by the Manager on trust pending payment to the Members in accordance with clause 8.37. The Manager may invest any moneys standing to the credit of the Surplus Capital Account pending disbursement and any income therefrom will form part of the Trust.
- 8.37 The Manager must pay the amount calculated in accordance with clause 8.35(b) to each Member from the Surplus Capital Account. The payment must be sent on or before the date being 10 Business Days after the date determined under clause 8.33.

8.37A In determining an amount to be paid under clause 8.33 at any time before 30 June 2013, the Manager may designate the amount as a 2012/2013 Capital Reallocation Amount in which event clause 8.37B applies in relation to the payment of the amount.

8.37B Each Member entitled to be paid a proportion of a 2012/2013 Capital Reallocation Amount irrevocably agrees and directs that:

- (a) the Manager must pay the proportion to the Stapled Company on behalf of the Member in discharge of a liability of the Member (in its capacity as a holder of Stapled Shares) imposed or to be imposed on the Member in accordance with the constitution of the Stapled Company, to contribute an amount equal to the proportion to the share capital of the Stapled Company; and
- (b) the only means by which the Member's entitlement to the proportion of the 2012/2013 Capital Reallocation Amount may be paid by the Manager is as expressly provided in paragraph (a) and payment of that proportion in accordance with that paragraph is a good and final discharge of any obligation or other liability of the Manager to pay or otherwise account for the 2012/2013 Capital Reallocation Amount or any proportion of the 2012/2013 Capital Reallocation Amount,

and this agreement of and direction by the Member applies despite any prior direction given by the Member in respect of payments out of the Trust.

8.37C In determining one or more amounts to be paid under clause 8.33 at any time after 1 November 2013 and before 30 June 2014, the Manager may further determine that each of that amount or those amounts (as the case may be) is to be treated as a 2013/2014 Capital Reallocation Amount, in which event clause 8.37D applies in relation to the payment of each such amount or amounts (as the case may be).

8.37D Each Member entitled to be paid a proportion of a 2013/2014 Capital Reallocation Amount irrevocably agrees and directs that:

- (a) the Manager must pay the proportion to the Stapled Company on behalf of the Member in discharge of a liability of the Member (in its capacity as a holder of Stapled Shares) imposed or to be imposed on the Member in accordance with the constitution of the Stapled Company, to contribute an amount equal to the proportion to the share capital of the Stapled Company; and

- (b) the only means by which the Member's entitlement to the proportion of the 2013/2014 Capital Reallocation Amount may be paid by the Manager is as expressly provided in paragraph (a) and payment of that proportion in accordance with that paragraph is a good and final discharge of any obligation or other liability of the Manager to pay or otherwise account for the 2013/2014 Capital Reallocation Amount or any proportion of the 2013/2014 Capital Reallocation Amount,

and this agreement of and direction by the Member applies to the proportion of the 2013/2014 Capital Reallocation Amount despite any prior or later direction given by the Member in respect of payments out of the Trust.

Stapled Security Reinvestment Plan

- 8.38 While Stapling applies, notwithstanding clauses 8.20 to 8.28, but subject to clause 4.11 and clause 29, if the Manager agrees with the Stapled Company to implement a reinvestment plan in relation to dividends and income in relation to Stapled Shares and the Units (a "Plan") a Member may apply to the Manager to have reinvested in Units the money or part of the money the Member is entitled to receive under clause 8.8 in accordance with the terms of the Plan subject to the following provisions:
- (a) the Manager may prescribe the application form for participation in the Plan;
 - (b) the Plan must permit a Member to cancel the participation of the Member in the Plan and to vary the participation of the Member in the Plan on reasonable grounds;
 - (c) the Manager may determine a Member's eligibility to participate in the Plan and may limit the number of a Member's Units that may participate in the Plan in accordance with the Listing Rules;
 - (d) if the amount to be reinvested in Units results in a fraction of a Unit, the money representing the fraction may either be held by the Manager without interest until the next distribution when it will be added to the amount of the distribution to that Member or paid to the Member without interest;
 - (e) where income is reinvested pursuant to the Plan, the Manager will advise the Member at the time when each distribution is

made of the number of Units issued to the Member, the amount of income applied to the purchase of such Units and the amount of income (if any) not so applied;

- (f) application for participation in the Plan will be automatically cancelled upon transfer of the Units to which an application relates and in such other circumstances reasonably determined by the Manager (where an application relates to a number of Units that is more than the number of units transferred, the Manager may determine whether the application has been cancelled in respect of any Units that remain held by the Member);
- (g) subject to the Corporations Act and the Listing Rules, the Manager shall not be obliged to issue a certificate for Units issued under the Plan;
- (h) for all purposes the net income to be distributed to a Member under this clause 8.38 is deemed to have been received by the member on a reinvestment of that income in Units under the Plan (and for the purposes of clause 5.3(c) comprises a reinvestment of a distribution in accordance with clause 8.22); and
- (i) the Manager may suspend the Plan's operation in respect of any distribution or cancel the Plan without prior notice at any time.

8.39 No reinvestment under clause 8.38 may occur unless at the same time as Members are issued with additional Units, Members are issued with an identical number of Stapled Shares which are then Stapled to the additional Units.

9 Payments

- 9.1 Money payable by the Manager to a Member may be paid in any manner the Manager decides.
- 9.2 Cheques issued by the Manager that are not presented within 6 months may be cancelled. Where a cheque which is cancelled was drawn in favour of a Member, the money is to be held by the Manager for the Member or paid by the Manager in accordance with the legislation relating to unclaimed moneys.
- 9.3 If the Manager decides that payment to a Member will be made by electronic transfer into an account (of a type approved by the Manager) nominated by the Member, but no such account is nominated by the Member or an electronic transfer into a nominated account is rejected or refunded, the Manager may credit the amount

payable to an account of the Manager to be held until the Member nominates a valid account or paid by the Manager in accordance with the legislation relating to unclaimed moneys. An amount credited to an account in this manner is treated as having been paid to the Member and will cease to be an Asset of the Trust at the time it is credited to that account. The Manager will not be taken to be a trustee of the money and no interest will accrue on the money.

- 9.4 Only whole cents are to be paid, and any remaining fraction of a cent becomes an Asset.
- 9.5 A payment to any one of joint Members will discharge the Manager in respect of the payment.
- 9.6 The Manager may deduct from any amount to be paid to a Member, or received from a Member, any amount of Tax (or an estimate of it) which the Manager is required or authorised to deduct in respect of that payment or receipt by law or by this constitution or which the Manager considers should be deducted.

10 Powers of the Manager

General powers

- 10.1 Subject to this constitution, the Manager has all the powers in respect of the Trust that it is possible under the law to confer on a trustee and as though it were the absolute owner of the Assets and acting in its personal capacity.

Contracting powers¹⁰

- 10.2 Without limiting clause 10.1 but subject to clause 10.3, the Manager in its capacity as trustee of the Trust has power to borrow and raise money (whether or not on security) and to incur all types of obligations and liabilities¹¹.

Borrowing

- 10.3 The Manager must not incur a borrowing in respect of the Trust if to do so would, at the time of incurring the borrowing, cause the total borrowings of the Trust to exceed 60 % of the value of the Assets determined in accordance with clause 7.

¹⁰ Required to be included by Section 601GA(3)

¹¹ Refer Listing Rule 13.2 - the total liabilities of a listed trust must not exceed 60% of its total tangible assets.

Power of delegation¹³

- 10.5 The Manager may authorise any person to act as its agent or delegate (in the case of a joint appointment, jointly and severally) to hold title to any Asset, perform any act or exercise any discretion within the Manager's power, including the power to appoint in turn its own agent or delegate.
- 10.6 The Manager may include in the authorisation provisions to protect and assist those dealing with the agent or delegate as the Manager thinks fit.
- 10.7 The agent or delegate may be an associate of the Manager.¹⁴

Exercise of discretion

- 10.8 The Manager may in its absolute discretion decide how and when to exercise its powers.

Underwriting

- 10.9 Subject to the Corporations Act, the Manager may enter into an arrangement with a person (including an associate of the Manager) to underwrite the subscription or purchase of Units on such terms as the Manager determines. Unless the agreement between the Manager and the underwriter expressly states the contrary intention, the underwriter will not be an agent or delegate of the Manager.

Principal investment policy

- 10.10 The principal investment policy of the Manager in relation to the Trust is investment in real property and the making of such other investments with the Assets which in the Manager's opinion are not from time to time required for that purpose. The Manager must not vary the principal investment policy of the Trust unless notice is given to Members within such period before the variation takes

effect as is adequate in the reasonable opinion of the Manager to enable Members to dispose of their units if they see fit.

2012/2013 Capital Reallocation

10.11 Each Eligible Member irrevocably appoints and directs the Manager to:

- (a) consent in writing (which consent may be a single document or two or more documents executed by the Manager on behalf of all Eligible Members) to any variation of the rights attaching to any shares in the Stapled Company Stapled to Units held by the Eligible Member constituted by:
 - (i) any modification of the constitution of the Stapled Company that increases or provides for an increase in the liability of the Eligible Member in its capacity as a holder of Stapled Shares to contribute to the share capital of the Stapled Company; and

- (c) apply on behalf of the Eligible Member the amount of the Eligible Member's entitlement to be paid a proportion of a 2012/2013 Capital Reallocation Amount to discharge in full the increase in the Eligible Member's liability in its capacity as a holder of Stapled Shares to contribute to the share capital of the Stapled Company; and
- (d) do all things the Manager considers necessary or expedient (including dealing with fractional entitlements and resolving any difficulty) to give effect to the payment of the 2012/2013 Capital Reallocation Amount in accordance with this constitution.

- 14.1 The Manager may at any time convene a meeting of Members or Option Holders, and must do so if required by the Corporations Act.²⁴

Manager may determine

- 14.2 Subject to this clause 14, the Corporations Act²⁵ and the Listing Rules, the Manager may determine the time and place at which a meeting of Members will be convened and the manner in which the meeting will be conducted²⁶.
- 14.2A The Manager may:
- (a) determine that at any meeting of Members a Member who is entitled to attend and vote on a resolution at that meeting is entitled to a Direct Vote in respect of that resolution;

²¹ See Section 601FC(1)(d)

²² See Section 252G(4)

²³ See Clause 15.3(c)

²⁴ Refer Part 2G.4

²⁵ Refer Part 2G.4, especially sections 253C - voting rights, and 252W - proxies. See also clause 25 - restricted securities

²⁶ Refer Listing Rules 3.13.2, 3.13.3, 6.10, 7.3, 10.10, 10.11 and 10.14.

- (b) prescribe regulations, rules and procedures in relation to direct voting, including specifying the form, method and timing of giving a Direct Vote at a meeting in order for the vote to be valid; and
- (c) if the Manager determines that a Member is entitled to a Direct Vote, the Manager must specify the form, method and timing of giving a Direct Vote in the notice of meeting in order for the vote to be valid.

Quorum

- 14.3 The quorum for a meeting of Members is 2 Members present in person or by proxy together holding at least 10% of all Units, unless the Trust has only one Member who may vote on a Resolution, in which case that one Member constitutes a quorum.

No quorum

- 14.4 If a quorum is not present within 15 minutes after the scheduled time for the meeting, the meeting is:
- (a) if convened on the requisition of Members - dissolved; or
 - (b) otherwise - adjourned to such place and time as the Manager decides.

At any adjourned meeting, those Members present in person or by proxy constitute a quorum.

Chairman

- 14.5 Subject to the Corporations Act²⁷ the Manager may appoint a person to chair a meeting of Members.
- 14.6 The decision of the chairman on any matter relating to the conduct of the meeting is final.

Other attendees

- 14.7 While Stapling applies, the Manager, the Auditor, the directors of the Stapled Company and the manager and auditor of the Stapled Trust may attend and speak at any meeting, or invite any other person to attend and speak.

²⁷ Refer Part 2G.4 and Section 601FC(1)

Adjournment

- 14.8 The chairman has power to adjourn a meeting for any reason to such place and time as the chairman thinks fit.

Proxies and voting

- 14.9 A Member may:
- (a) be present and vote in person; or
 - (b) be represented at any meeting of Members by:
 - (i) proxy;
 - (ii) attorney; or
 - (iii) in the case of a body corporate which is a Member, a representative, or
 - (c) where the Manager determines that direct voting will be available for a meeting of Members, vote by Direct Vote.
- 14.10 Subject to clause 14.12, the provisions of the Corporations Act governing proxies and voting for meetings of members of registered managed investment schemes apply to the Trust²⁸.
- 14.11 The Manager may determine that the appointment of a proxy is valid even if it contains only some of the information required by the Corporations Act²⁹.
- 14.12 While Stapling applies, subject to the Corporations Act, the form of proxy used may be the same form as the Member uses to appoint a proxy to vote on their behalf in respect of the Stapled Shares which they hold.

Direct voting

- 14.13 A Member may only vote by one of the permitted methods in clause 14.9 in respect of a Unit. If a Member casts a Direct Vote on a particular resolution they are taken to have revoked the authority of a previously authorised proxy to vote on their behalf on that resolution. If a Member attempts to cast more than one vote on a particular resolution in respect of the same Unit, only the last vote received by the returning officer is to be taken to have been cast, irrespective of whether the vote is by way of Direct Vote or proxy. A person who has cast a Direct Vote is entitled to attend the meeting. The Member's attendance cancels the Direct Vote, unless the Member instructs the Manager or at its instruction the Trust's unit registry otherwise.

²⁸ This provision is included for completeness - the law operates of its own force.

²⁹ Section 252Y(1) specifies the information which is normally to be included in an appointment of proxy.

- 14.14 If the Manager determines that a Member who is entitled to attend a meeting of Members is entitled to a Direct Vote, then a Member is entitled to cast a Direct Vote prior to the relevant meeting of Members. If a vote is taken at a meeting of Members on a resolution on which a Direct Vote was cast, the chairman of the meeting must:
- (a) on a show of hands, exclude each Member who has submitted a Direct Vote for or against the resolution; and
 - (b) on a poll, count the votes cast by each Member who has submitted a Direct Vote directly for or against the resolution, by the value of the total interests in the Trust held by each Member.
- 14.15 If sent by post or fax, the Direct Vote must be signed by the Member or, if the Member is a corporation, either under seal or by a duly authorised officer, attorney or representative. If sent by electronic transmission or other electronic means, the Direct Vote is to be taken to have been signed if it has been signed or authorised by the Member in the manner approved by the Manager or specified in the notice of meeting. A Direct Vote includes any form of vote that the Manager may prescribe or accept including by any electronic means. At least 48 hours (or any shorter period as the Manager may permit) before the time for holding the relevant meeting of Members, an adjourned meeting or a poll at which a person proposes to cast a notice of their voting intention, the following must be Validly Received:
- (a) a Direct Vote; and
 - (b) any authority or power under which the Direct Vote was signed or a certified copy of that power or authority if not already lodged with the Manager.

A notice of a voting intention is valid if it contains the following information:

- (a) the Member's name and address or any applicable identifying notations such as the holder identification number or similar approved by the Manager or specified in the notice of meeting, and
- (b) the Member's voting intention or any or all of the resolutions to be put before the meeting.

If the chairman determines it is appropriate, a Direct Vote by a Member on a resolution is taken to be a Direct Vote on the resolution as amended. The chairman's decision as to whether a Direct Vote is valid is conclusive.

- 14.16 A vote cast in accordance with a Direct Vote is valid even if before the vote was cast the Member:
- (a) died;
 - (b) became mentally incapacitated;
 - (c) revoked the appointment or authority;
 - (d) revoked the authority under which the appointment was made by a third party;
 - (e) transferred the Unit in respect of which the appointment or authority was given or
 - (f) wished to change their vote,

unless written notification of the relevant event is received by the Manager before the meeting, adjourned meeting or the taking of the poll in respect of which the Direct Vote was to have been cast.

Resolutions binding

- 14.17 A Resolution binds all Members, whether or not they were present at the meeting.
- 14.18 No objection may be made to any vote cast unless the objection is made at the meeting.

Non-receipt

- 14.19 If a Member does not receive a notice (including if notice was accidentally omitted to be given to them) the meeting is not invalidated.

Joint meetings

- 14.20 While Stapling applies, meetings of Members may be held in conjunction with meetings of the holders of Stapled Shares, subject to the Corporations Act, the Manager may make such rules for the conduct of such meetings as the Manager determines.

Option Holders

- 14.21 The provisions of this clause relating to meetings of Members also apply to meetings of Option Holders with any necessary modifications.

Manager's duties in relation to Stapling

- 15.4 Subject to the Corporations Act and any Relief and notwithstanding that Units are stapled to Stapled Shares or any other provisions of this constitution, while the Units are Stapled:

Indemnity in favour of Manager

- 16.3 The Manager is entitled to be indemnified out of the Assets for any liability incurred by it in properly performing or exercising any of its powers or duties in relation to the Trust³².
- 16.4 To the extent permitted by the Corporations Act³³, the indemnity under clause 16.3 includes any liability incurred as a result of any act or omission of a delegate or agent appointed by the Manager.
- 16.5 This indemnity is in addition to any indemnity allowed by law. It continues to apply after the Manager retires or is removed as trustee of the Trust.

If the Manager is or becomes liable to pay GST in respect of any supply under or in connection with this agreement (including, without limitation, the supply of any goods, services, rights, benefits or things), then, in addition to any fee or other amount or consideration payable to the Manager in respect of the supply, the Manager is entitled to be paid an additional amount on account of GST, such amount to be calculated by multiplying the fee, amount or consideration for the part of the supply which is a taxable supply for GST purposes by the prevailing rate of GST, and the Manager shall be entitled to be reimbursed or indemnified for such amount of GST out of the Assets.

and such increased cost or reduction is not compensated for by any other provision of this constitution, then the Manager may recover from the Assets such amount as, in its sole opinion but acting reasonably, will compensate the Manager for such increased cost or reduction.

- 18.9 An amount may only be paid or reimbursed out of the Assets under clauses 18.6 and 18.7 if it relates to the proper performance of the Manager's duties.

19 Duration of the Trust

- (a) [deleted];
 - (b) a date which the Members determine by special resolution;

 - (d) the date on which the Trust terminates in accordance with another provision of this constitution or by law³⁶.
- 19.3 Notwithstanding clause 19.2 of this constitution, if at any time legislation is enacted the result of which is that the Manager is liable to pay any income tax or capital gains tax (other than withholding tax or tax of a similar nature) on the income of the Trust other than income not distributed to Members, the Manager may summon a meeting of the Members to consider winding up the Trust and if by special resolution the meeting so decides, the Trust shall be wound up.

³⁶ See Part 5C.9 on winding up

20 Procedure on termination

Realisation of Assets

- 20.1 Following termination, the Manager must realise the Assets. This must be completed in 180 days if practical and in any event as soon as possible after that.

Audit of winding up

- 20.2 If and to the extent that ASIC policy so requires, the Manager must arrange for independent review or audit of the final accounts of the Trust by a registered company auditor.

Distribution following termination

- 20.3 The net proceeds of realisation, after making allowance for all Liabilities of the Trust (actual and anticipated), meeting the expenses (including anticipated expenses) of the termination and satisfying distributions of income, must be distributed pro rata to Members according to the number of Units they hold. The Manager may distribute proceeds of realisation in instalments.
- 20.4 Subject to the Corporations Act, the provisions of this constitution continue to apply from the date of termination until the date of final distribution under clause 20.3, but during that period the Manager may not accept any applications for Units from a person who is not an existing Member.

21 Amendments to this constitution

Manager may amend

- 21.1 Subject to the Corporations Act³⁷, the Manager may by deed amend this constitution.

Statutory requirements

³⁷ See Section 601GC for power to amend the constitution. The amendment cannot take effect until a copy of the modification is lodged with the ASIC

they are required to be included and prevail over any other provisions of this constitution to the extent of any inconsistency. Clause 21.1 does not apply to provisions deemed by this clause 21.2 to be incorporated in the constitution.

- 21.3 If the Manager is of the opinion that as a result of clause 21.2 the Assets of the Trust or any part of it are to be invested or deposited otherwise than freely in accordance with the discretions given to the Manager by this constitution or if as a result of any law it appears to the Manager to be in the interest of the Members so to do, the Manager may terminate the Trust.

 - (e) if the Listing Rules require this constitution not to contain a provision and it contains such a provision, this constitution is deemed not to contain that provision; and
 - (f) if any provision of this constitution is or becomes inconsistent with the Listing Rules, this constitution is deemed not to contain that provision to the extent of the inconsistency.
- 21.5 In accordance with ASIC Class Order 98/1808 or its equivalent and for so long as it applies to the Trust, a change in the text of this constitution because of the operation of clause 21.4 is not a modification of, or the repeal and replacement of, the constitution for the purposes of subsections 601GC(1) and (2) of the Corporations Act.

Manager's obligations upon delisting

- 22.1 If the Trust is Delisted the Date of Delisting will be the Termination Date unless within 90 days after removal of the Trust from the official List of the ASX or 150 days after the commencement of the suspension of the Units from trading by the ASX (whichever is the earlier) or such longer period as the ASIC or any delegate of the ASIC permits, the Manager has convened a meeting of Members to consider all of the following:

 - (b) a quorum for the meeting shall be 25% (by value) of the Members eligible to vote (in person or by proxy) at the meeting;
 - (c) if it is determined by the Manager to use such a system, where a vote is taken in relation to any proposal before the meeting a preferential voting system may be employed whereby Members will be required to rank the alternatives available in relation to a proposal before the meeting in order of preference and votes will be redistributed on a preferential basis provided that:
 - (i) the preferential voting system is fully explained in the notice convening the meeting;

- (ii) the Manager confirms that in the given circumstances such a voting system is in its opinion in the interests of the Members;
 - (iii) the Auditor acts as independent scrutineer at the meeting;
 - (iv) the Register is up to date at the time of the vote in order to assist in the counting of votes and the allocation of the preferences; and

Paramourncy of Stapling provisions

29.1 Subject to clauses 21.2, 21.4 and clause 30A, the provisions of this constitution relating to Stapling prevail over all other provisions of this constitution including any that are expressed to prevail over others, except where this would result in a breach of the Corporations Act, the Listing Rules or any other law.

Consistency with constitution of Stapled Company

29.2 The Manager undertakes to use every reasonable endeavour to procure that Stapled Securities are dealt with under this constitution in a manner consistent with the provisions relating to Stapled Securities in the constitution of the Stapled Company.

29.3 The Units are intended to be stapled to the Stapled Shares in the ratio of one Unit to one Stapled Share. The intention is that the Members shall be identical to the holders of Stapled Shares and that, so far as the law permits, a Unit and a Stapled Share which are Stapled together shall be treated as one security.

Suspension of Stapling provisions

29.4 Subject to the Corporations Act, the Listing Rules and approval by special resolution of the Members and the members of the Stapled Company respectively, the Manager may determine that the Stapling

- 29.7 Each Member acknowledges the terms of Articles 3 and 7 of the constitution of the Stapled Company and agrees to be bound by those articles. The terms of those articles reflect the intention that a Unit should remain Stapled to a Stapled Share. In particular, each Member acknowledges that:
- (a) Article 3 imposes a lien on a Unit in the circumstances described in that article and that under that article the Stapled Company in certain circumstances will have the right to sell or otherwise dispose of a Unit; and
 - (b) under Article 7 a Unit, in the circumstances described in that article, may be forfeited and sold or otherwise disposed of by the Company.

The Member authorises the Company and the Manager to take whatever action they consider necessary to give effect to the provisions of those articles including selling, signing an instrument of transfer or otherwise disposing of a Unit so as to ensure that a Unit held by a Member remains Stapled to a Stapled Share.

Manager's authority

- 29.8 While Stapling applies, each Member authorises the Manager to take whatever action it considers necessary to give effect to any disposal of a Unit and a Stapled Share.

Effect of termination on stapling

- 29.9 Upon winding up of the Stapled Company, Stapling will cease to apply.

30 Deed of Co-operation

and notwithstanding any other provisions of this constitution except clauses 21.2 and 21.4, the Manager may do everything necessary or convenient to give effect to the terms of the Deed of Co-operation and any transactions pursuant to the Deed of Co-operation.
