

Mirvac Vendor Code of Conduct

This *Vendor Code of Conduct (VCOC)* aims to encourage, educate, support and, where appropriate, mandate requirements that will assist Mirvac and people who supply goods and services to Mirvac (Vendors) to contribute to sustainable business operations.

The VCOC outlines Mirvac's commitment to, and expectations of, its Vendors and the production and delivery of all their goods and services.

The VCOC applies to all Vendors employed across all areas of Mirvac's operations. Vendors who engage sub-contractors, on Mirvac jobs, are encouraged to share the VCOC principles with them.

Mirvac's responsibility is to ensure:

- Promotion of fair and open competition;
- Elimination of fraud and collusion;
- Responsible sourcing activities;
- Equitable treatment of Vendors in accordance with laws, regulations and standards empowered to regulate the industries in which it operates;
- A sustainable and diverse supply chain and
- Consideration of sourcing solutions that minimise environmental and social impacts and support Mirvac's triple bottom line responsibilities.

Definitions

Violence against women is defined by the United Nations as “any act of gender based violence that results in or is likely to result in physical, sexual or physiological harm or suffering to women”. The Vendor acknowledges and undertakes to uphold a zero tolerance towards violence against any person in the workplace.

Community

- The Vendor shall strive to contribute to the local communities in which they operate and shall ensure that they have procedures in place to minimise any negative impacts to these communities.

Supply Chain

- The Vendor shall have a process in place to identify and manage environmental, social and governance risk within their own supply chain. This shall cover the *VCOC categories* detailed in this Code of Conduct when dealing with their Tier 1 vendors. Tier 1 vendors will be defined by the business itself and may include the following categories:
 - High spend;
 - Long-term or strategic alliance;
 - Potential for high environmental, social and governance risk; or
 - Sole supplier of critical product or services.

Environment

- The Vendor shall have or be working towards an environmental policy.
