

This architectural floor plan depicts a multi-unit residential building, likely a townhouse or apartment complex, organized around a grid system. The units are labeled B-421 through B-429, each occupying a specific lot (LOT 22 through LOT 30). The plan includes detailed room layouts, including living areas, bedrooms, bathrooms, and kitchens. Key features include fire stairs, lifts, and various utility areas. The plan is annotated with numerous dimensions, room numbers, and structural notes. A small inset in the bottom left corner provides a site plan context, showing the building's location relative to surrounding streets and other structures. The grid system (BA-BM, C1-C7) is used to reference specific locations within the plan.
