

13 December 2024

Dear Neighbour,

**RE: The Village, Menangle – Station Street Pedestrian Bridge**

We are writing to inform you of upcoming construction activities in your neighbourhood related to the construction of the pedestrian bridge, as well as our site shutdown period.

**Piling works**

Piling works will be carried out for the approach ramp to the pedestrian bridge from **Monday 16 December 2024** until **Saturday 11 January 2025**. These works will be undertaken within Wollondilly Shire Council's standard building hours:

- 7am – 6pm, Monday to Friday
- 7am – 4pm, Saturday

Please note there will be some noise associated with the use of specialised equipment throughout these piling works, which is essential for the structural foundation of the ramp. While we understand that noisy works may be disruptive, please be assured that Mirvac and its contractor's will do their best to complete the work as quickly and efficiently as possible, minimising impact on the surrounding area.

**Site shutdown**

Works will pause and the site will be secured from **20 December 2024** until **Monday 6 January 2025** for the holiday break. We would like to thank you for your ongoing patience as a neighbouring resident to a construction site, and we wish you a restful holiday season.

If you have any questions or require further information, please do not hesitate to contact our team at **thevillagecommunity@mirvac.com** or visit our website at <https://thevillagecommunity.mirvac.com>.

Thank you for your cooperation.

**Yours sincerely,**

Menangle Project Team

The Village, Menangle
